"HEART TROUBLE" -

One Reel Bull's Eye Comedy

With Arthur Lake and Marceline Day

\* \* \*

The Chivers pop and mom prepare for a party to their daughter Marceline. Arthur, her favorite, breaks an expensive vase and is thrown out and told not to come to the house again. While the dancing goes on he gazes wistfully through the window, is seen by Marceline who pities him and lets him in the back door. She dances with him, arousing the jealousy of Eddie, his rival, who is dressed as a western sheriff carrying chain handcuffs. Eddie is trying to get rid of his partner who is known as the party pest. He chains her wrist to Arthur's, but when the "pest's" cave man sweetie finds it out he frees her and locks the two boys together. Pop discovers Arthur at the party and orders him out again. Eddie is forced to go with him and they go to bed at Arthur's home, chained together.
